| Al       | though the West German courts are still considering the constitutionality |
| of the   | US request to extradite Mohammad Hammadi, the final decision to extradite |
| Hammadi  | lies with Bonn.   |
| 0        | Even if the courts say Hammadi can be extradited, the government does     |
|          | not have to follow through.   |

|          | We believe a trial in West Germany would most likely be                   |
|          | used by the government to buy timeeither in delaying extradition or       |
|          | in attempting to reach an agreement with the hostages' captors.           |
